Duraflex II Seat & Knees For Unrivalled Durability

# FILEX

The Rooster ThermaFlex® 1.5mm collection is unsurpassable in its versatility, with specific cuts tailored for Men, Women and Juniors.

Made from premium 1.5mm SuperStretch Neoprene for total freedom of movement and superior knock protection.

Pair any ThermaFlex® 1.5mm Longjohn with a with a ThermaFlex® 1.5mm Top in warmer climes; add PolyPro™ base layers beneath for a heat boost or use as a winterising mid layer when it's cold.

Use with the ProHike™ pads to experience the ultimate in hiking support or when worn alone relish the unrestrictive fit and superior knock protection.
